

**I.P.S. sa. Technical background: ROB DE LUYCK, Managing Project Engineer**

**Degree:** Bio-engineer in Cell and Gene Technology, Vrije Universiteit (2000 – Brussels)

**I.P.S. references (Major Projects):**

<i>Year</i>	<i>Customer</i>	<i>Project</i>	<i>Country</i>	<i>Description</i>
2007- ...	GlaxoSmith Kline Bio	RX181	Belgium	Revamp of existing vaccine production area Project management: coordination, budget control, planning control
2006 - ...	GlaxoSmith Kline Bio	WN164	Belgium	New facility for Viral vaccine production Project management: coordination, budget control, planning control
2006 - 2006	Cumerio	New refinery	Bulgaria	New refinery for the production of copper cathodes Project preparation and project management
2006 - 2006	Ceres		Belgium	Follow-up of several projects Project management
2006 - 2007	Sikel	Zinc dissolving station	Belgium	Feasibility study for the use of different zinc sources Project Piloting
2006	Corus packaging Plus	Speed-up	Belgium	Feasibility study for speeding up of the production line from 80m/min till 100 m/min in the process part of the line
2005 - 2006	Corus Strip Products	DVL3	Belgium	Project preparation for a new steel galvanising line; Investment analyses (strategy, planning, budget...); Specifications (mechanical, chemical, piping); Project Management
2003 - 2004	Coil GmbH	Line 5	Germany	Project preparation and realisation of a new anodising and colouring line; Study of wastewater treatment; Specifications (waste water treatment, piping); Project Management.
2003	GlaxoSmith Kline Bio	RX132	Belgium	Bio-modules (Bio level 2+ labs); Basic Engineering of the utilities; Project engineer.
2002 - 2003	Schering Plough labo	Sterile Suspension	Belgium	Suspension installation; Engineering and commissioning (clean room technology and clean piping); Project engineer.
2001 - 2002	Coil nv			Study of the waste water system; Study of best available techniques in process; Environmental permitting; Project Engineer.
2000 - 2001	Sikel			Realization of a variety of projects; Acid retardation installation, On-line phosphate analyzer, HVAC, Variety of smaller mechanical projects; Project Engineer.

**Professional experience:**

<i>Year</i>	<i>Company : Project</i>	<i>Position / Occupation</i>
2000 - ...	IPS. Belgium sa	Managing Project Engineer

**Languages:** Dutch, French, English, German

**Based in:** Belgium

**Computer skills:**
