Pressure Safety Valves

Allnex Belgium SA/NV, Belgium, 10/2016 - 03/2017

CHEMICALS | PROJECT REALIZATION | BELGIUM

Allnex, is a leading global producer of coating resins and additives for architectural, industrial, protective, automotive and special purpose coatings and inks.

Group-IPS gave its service to Allnex for the creation of an index of pressure safety valves, PSV. This includes the control on site, the sizing and the documentation of the PSV. The Index was based on SEVESO standards.
